Define problems, find solutions, wrap them in art. Every product, graphic, or color starts with an inspiration. The Oakley Concept Studio embodies the ideas before the work to make something reality. The 2014 Concept Studio showcases the hand-painted experimentation of techniques, colors, and mediums based around an inspiration, with 26 pairs featured in stores and 3 web-exclusive pieces.

View collection at select Oakley Stores starting **NOVEMBER 17**.

Available for purchase **DECEMBER 1**.
